

Based on the donations earmarked for the project of Conventional Weapons Destruction and Ammunition Management in Kyrgyz Republic donated by the United States Department of State – Federal Assistance Award Cooperative Agreement # 25CA0013, through ITF Enhancing Human Security (ITF), ITF would like to announce the following:

INVITATION FOR SUBMISSION OF OFFERS FOR PROCUREMENT OF CONSTRUCTION MACHINERY IN KYRGYZ REPUBLIC

1. Publication reference:
ITF-01/26-PSSM-KG-USA

2. Procedure:
Call for proposals for procurement of construction machines in Kyrgyz Republic.

3. Contracting Authority:
ITF Enhancing Human Security (ITF)

4. Description of the works:

Lot	Equipment	Quantity
1	Motor grader	1
2	Wheel loader	1
3	Wheeled excavator	1

The machinery will be transferred to the Kyrgyz Ministry of Defense for essential physical security and stockpile management (PSSM) ground works in northern Kyrgyz Republic, including access roads, drainage, firebreaks, protective earthworks and working areas. Documentation forms an integral part of this invitation and sets out the technical specifications, supplier obligations and response schedules. It is available as described below.

5. Eligibility and rules of origin
Participation is open on equal terms to national and international commercial companies legally registered to manufacture or supply construction machinery and holding all licences and authorisations required for the supplies offered. Consortia may apply provided they demonstrate direct cooperation with the manufacturers of the offered equipment and their capacity to fulfil the contract.

The offeror shall demonstrate at least one comparable machinery-supply contract completed during the last five years, with a client confirmation or equivalent delivery/acceptance evidence and a contactable reference.

The company/organization is obliged to register and obtain UEI – Unique Entity ID at https://www.gsa.gov/about-us/organization/federal-acquisition-service/office-of-systems-management/integrated-award-environment-iae/iae-systems-information-kit/unique-entity-identifier-update before applying for this Invitation for submission of offers.
The company's principals/officials must be searched through the System for Award Management – SAM.gov – which may be accessed through the following link https://sam.gov/content/home. The offeror itself is responsible to check the SAM.gov.

6. Offer validity
Offer shall be valid for a minimum of 90 (ninety) days after the deadline for submission.

7. Performance guarantees
The successful company will be asked to provide a performance guarantee of 10% of the contract amount at contract signing, should the contract exceed USD 100,000.00. A separate performance guarantee shall not be required if the successful company provides a written guarantee for the machines supplied under the contract.

Where required, the performance guarantee shall be valid from the date of contract signing until 30 days after the goods have been delivered and installed and the training has been conducted.

If the selected company fails to provide the required performance guarantee at contract signing, the contract will be void, and a new contract may be drawn up and sent to the company that submitted the second-best admissible offer.

8. Information meeting and/or site visit to inspect the project objects
No site visit is planned for this call for offers.
