The company/organization tendering shall have completed as main contractor or have been involved as a subcontractor on project(s) of at least double the amount/nature/complexity comparable to the tendered works over the last 3 years. All its key personnel shall have at least 2 years of adequate experience and written proven qualifications relevant to works of a similar nature to the project(s) for which they tender.

The company/organization is obliged to register and obtain DUNS number at <https://iupdate.dnb.com/iUpdate/mainlaunchpage.htm> before applying for this tender.

The company's principals/officials must not be on the Specially Designated Nationals List (SDN) - <http://www.treasury.gov/ofac/downloads/t11sdn.pdf> - of the U.S. Treasury Office of Foreign Assets Control (OFAC). The tenderer itself is responsible to check the SDN list.

Donor's specific conditions and requirements shall be taken into consideration at all tendering procedures.

## 6. Number of tenders

For each contract a separate Tender shall be submitted. The Tenderer may participate with only one Tender for the same Contract. Submission or participation by Tenderer with more than one Tender (either as a prime and a sub-contractor) for a Contract will result in the disqualification of Tenderer as a prime contractor for that Contract in which the party is involved.

## 7. Tender validity and tender guarantee

Tenders shall be valid for period of minimum 60 (sixty) days after the deadline for submission of Tender and must be accompanied by a Tender guarantee (values of the Tender guarantees are shown in the above table) for each contract. The Tender guarantee for each contract shall be valid for a period up to and including minimum 60 (sixty) days after the deadline for submission of Tender. This guarantee will be released to unsuccessful Tenderer(s) once the tender procedure

has been completed and to the successful Tenderer(s) upon signature of the contract by all parties.

#### **8.Performance guarantees**

The successful Tenderer will be asked to provide a performance guarantee of 10 % of the amount of the contract at the signing of the contract. Performance guarantee shall be valid for a minimum of 90 days after signing of the contract. If the selected Tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the Tenderer, which has submitted the second best admissible Tender.

#### **9.Information meeting and/or site visit**

Visits to locations with potential Tenderers will be organized, according to schedule/plan of site visits as set within tender documentation, with BH MAC and ITF representatives.
